

Midland Guildford Cricket Club

Sponsorship Packages

2024/25 Season

MESSAGE FROM THE PRESIDENT

The Midland Guildford Cricket Club is a proud, inclusive club with a rich history and a strong future.

The Club has provided the opportunity for all cricketers in our region to play Premier Cricket with a focus on developing our players into both great people and great cricketers.

Many young male and female cricketers from our Club have gone onto National and International representation which as a Club we are incredibly proud of their achievements.

Running a Premier Cricket club takes plenty of great volunteers and skilled people who put a lot of time into making these outcomes achievable, however it also takes great investment.

Our Sponsors are at the heart of our Club and provide financial and in-kind investment , for which on behalf of all the players and members I thank you for your support.

(Note: All Club members, whilst representing the Club directly or otherwise are strongly encouraged to support our Club sponsors)

Attached is our new Sponsorship Packages for new sponsors, which can be customised to suit your requirements.

For our loyal existing sponsors, your existing sponsorship arrangements continue to be appreciated and as always we are happy to customise for your future needs.

We have some exciting programmes in both male, female youth and senior teams which with your continued support will continue to represent our region and provide opportunities for our next Jo Angel or Alana King!

Warmest Regards

Dick Hutchison

President
